What Is Going On Tonight.
United Order Golden Cross, Willimantic, Conn., 254, meets.

Members of the Willimantic Rotary Club and their guests, numbering 80 in all, enjoyed the first men's night outing since the organization of the club, Tuesday evening at the Chalmers Inn, Windham. From the time of the arrival of the party at Windham until their departure there was not an idle moment.

Promptly at seven o'clock the members sat down at the banquet table and enjoyed a chicken supper with all the trimmings as follows:

Menu	
Oyster Cocktail	Crackers
Sautéed Almonds	Olives
Celery	
Tomato Bouillon	
Roasted Chicken	Cranberry Sauce
Mashed Potatoes	Mashed Turnips
Creamed Onions	
Southern Corn Bread	
Cabbage Salad	Mayonnaise Dressing
Apple and Pie	
Pineapple Cream	Cheese
Crackers	Coffee

Under the leadership of George W. Hickey the rotary quartet, Raymond J. Parker, Arthur French, Harry W. Standish, and John Ahern soon had things going, the quartet joining into action by singing the verse of The Long Long Trail. Between the courses special musical numbers were sung by Joseph Gaudreau, his selection "Mighty Lak" a Rose calling for an encore, Forever is a Long Long Time.

President Frank H. Post welcomed the guests and in a few words explained the principles of rotary which for its standard has the slogan Service Before Self, or He Who Serves Best Profits Most.

The speaker of the evening was Rev. J. Romayne Danforth, vice president of the New London Rotary Club. Mr. Danforth spoke briefly on the subject The Care and Feeding of Fathers. Fathers, said Mr. Danforth, are the most famous little book entitled The Care and Feeding of Infants. Sometimes, he said, I believe that too much is heard on this subject and not enough on the care and feeding of fathers. Somebody ought to write a book on this subject; it would be a big book.

If the infant in the home has value, then the father is of value in the proportion. I sometimes feel that the father is too unselfish, he looks after everyone but himself.

In Rotary, boys' work is a feature, and rightly so. The boy of today is the man of tomorrow. When a man forgets how to laugh he is headed for the undertaker and in Rotary a man stays young, he learns other people's problems, and because he carries the principles to his fellowmen, he learns to care for himself.

What can a man do with his spare time? How many fathers try to hide their ignorance in many ways when their children ask the many questions they all ask? Should not a man feed his mind and better equip himself for this examination by his children?

There is, however, another important thing any father should pay attention to, and that is the feeding of that inner thing we are pleased to call soul.

A father may know how to care for himself physically and mentally, but neither of these things are guarantees of building up character. When a man becomes a father he should watch his own character. His children at school learn from teacher and associates, but there is much for the father to do. The associates are sometimes not the best for his children and unless his character is good he will fall to give his children the character he desires them to have. As a father, Judge George E. Hinman of this city is in response to a request for a few remarks, stated that the speaker had looked on a wonderful subject, that character in life is one of the essential things a father must build up for himself. Rotary, he said, always had a meaning he could not define and by attending the gathering tonight rotary to him

MOBO AUTO SOAP

Oh! Jim—just like a NEW car!

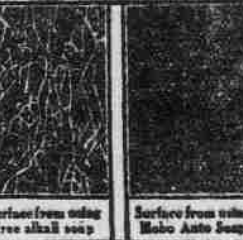

You're right. I've been using Mobo Auto Soap for several months and it's given the car a new-like appearance. It is also protecting the varnish and preventing cracks and blisters. If I'd kept on using those ordinary free alkali soaps, I'd have had to repaint it long ago.

Mobo Soap is not only a varnish preservative—but a high-class soap which quickly cleanses running gear, body or top. Being a 100% pure vegetable-oil soap, Mobo preserves the finish on the car, keeping it elastic and preventing it from becoming dry, which causes cracking and blistering.

Try Mobo. Get a can today from your nearest dealer.

3 lbs. \$1.00, 5 lbs. \$1.50.
Also in 10, 25 and 50 lb. cans, and in Barrels.

CAUTION

MOBO AUTO SOAP and SHOPO HAND CLEANSER are manufactured by John T. Stanley Co., Inc., N. Y. Established 1865.

Brothers, No. 38 Union street and were conducted by Rev. Harry S. McCready, pastor of the First Congregational church. A committal service was read at the grave in Columbia by Rev. Mr. McCready.

Do you discriminate at the dining table—or are you thoughtless?

In thousands of homes, a "line" is drawn at the breakfast table. Tea or coffee is served for "grown-ups" and Postum for children. But some parents do not discriminate. Caffeine and tannin, the injurious contents of coffee and tea, seriously retard the development of the delicate nerve tissues in children.

Consequently, instead of rich, satisfying Postum, children are over stimulated by the drugs in tea and coffee; and so may grow up irritable and nervous. Any doctor can tell you that this is a great evil and should be corrected.

Although some parents feel a certain justification for the personal indulgence in coffee, yet the harm to them may be equally serious. It may take a little while longer for the drugs in coffee and tea to affect an older person, but in many cases the nervous system and allied bodily functions will become weakened. The surest way to avoid such possibilities is to quit coffee entirely and drink Postum instead. The change permits you to get sound, restful sleep.

Postum is the well-known, meal-time beverage. Like thousands of others you will like it because, in flavor, it is much like a high-grade coffee.

Do away with the distiction at the table. Serve delicious Postum, piping hot, to all the family. One week's trial and it is likely that you'll never return to tea and coffee.

Postum comes in two forms: Instant Postum (in tin) made instantly in the cup by the addition of boiling water. Postum Cereal (in packages of larger bulk, for those who prefer to make the drink while the meal is being prepared) made by boiling for 30 minutes.
